1 Hero: Hero(Nua Norvail)
Aren't I just unneeded?

2 Watches over heroes: Knight Leader
What is this about?
Aren't you also a hero?
Pull it together.

3 Watches over heroes: King(Alesia)
I wonder what happened to cause this lol

4 Watches over heroes: Scholar
For starters, thank you for your work
But I'm really interested in this strange situation now

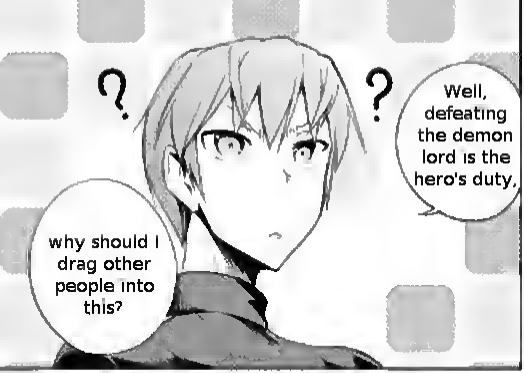
6 Watches over heroes Assassin
Yo, good work
So what's happened?
5 Watches over heroes Student
The overseer of the board,
Student is here!
So what s all this?
no image
Well, how should I put it...
Is the hero really necessary?
And even if you need one, does it need to be me?
7 Hero Hero(Nua Norvail)
What happened?
What could make you lose your way like that?
To utter such words after accepting a hero s duties is pathetic
What made you think that?

11 Watches over heroes King
To begin with, through what process did you become a hero?
The process...
I was born with the mark of the hero,
so I simply have no choice but to become the hero
no image
Oh, so you were born a hero.
Good work!
14 Watches over heroes: Knight Leader
If you were born with the responsibilities of the hero, then why not just fulfill them?
I just don't see why you would stop like this, it's simply shameful.
15 Watches over heroes: Assassin
Hey, you were born with the mark of the hero, so doesn't that mean that heroes are necessary in Nua Norvail?
Well, how should I put it...

Certainly "Heroes" are definitely needed
for the sake of getting rid of the threat of the "demon lord"
Well, how can I say this?
So then why are you asking these questions?
Oh, the standard hero & demon lord set. lol
no image
So that's the world's fate?
I looked through the books,
Nua Norvail is a world with the typical "hero" and "demon lord" setup
So what exactly is the problem?
So,
it's necessary for there to be a "hero",
but it doesn't necessarily have to be "you", is that it?

so having turned of age, I left to go defeat the demon lord
I'm the hero because I was born with the hero's
Well, as I said earlier,
no image
Why should I get ordered around by the king?
23 Watches over heroes, Student
What, just like that?
You didn't go to see the king or anything?
the hero
after all
I am
Even with all this, I still, well...
25 Watches over heroes Knight Leader
Is the hero allowed such discretion in your world?
Are you allowed to go without the royal family's permission?

Isn't the hero there to beat the demon lord?
Huh?
That's true. lol
royalty has no place to intervene
In Nua Norvail, the "hero" and the "demon lord" are corresponding "individuals"
30 Watches over heroes. Student
They sure are
So, you don't get events like
"Hero, go forth and defeat the demon lord!"
or anything of the sort?
So this is a native hero's instinct?
The various worlds sure are something



?
?
Well, defeating the demon lord is the hero's duty,
why should I drag other people into this?
no image
So the kingdom doesn't send any followers to assist you either?

33 Watches over heroes: Knight Leader
There sure are a lot of different worlds out there...

34 Watches over heroes: Student
So, you're all alone in your travels?

35 Watches over heroes: Assassin
We sure are similar, aren't we?

36 Hero: Hero
Well, I did start out alone, but others joined along the way

37 Watches over heroes: Scholar
Companions joining along the way... Well, that too is a common pattern

38 Watches over heroes: King
It's a pattern?

39 Watches over heroes: Student
I'm so sorry to hear of your time as a "lonely hero traveling alone", Assassin

40 Watches over heroes: Assassin
Tsk

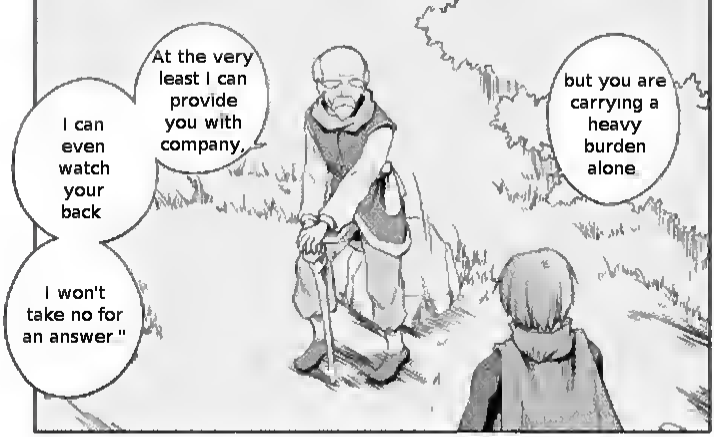
41 Watches over heroes Knight Leader
Didn't you say earlier that you won't drag others into this?
You're contradicting yourself now.

42 Hero Hero
I refused them, obviously!
But they were persistent.

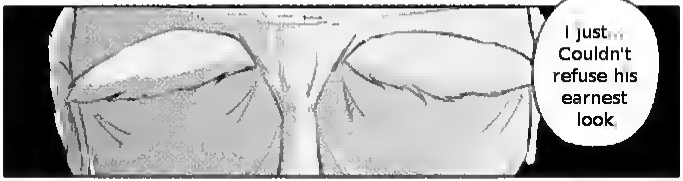
43 Watches over heroes Assassin
So they forced their way in?
And what sort of people are they?

44 Watches over heroes Student
Is this where we reach the topic of the thread?
It's happening!

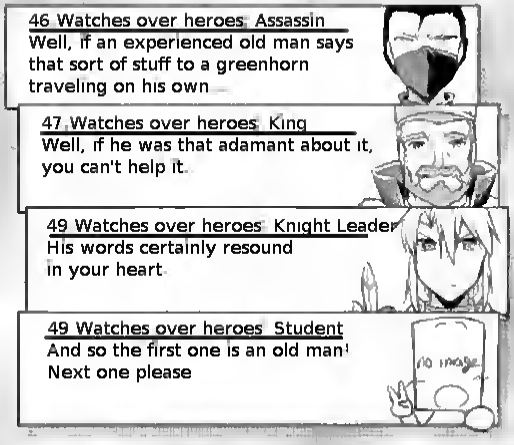
I was getting a little lonely by then...
How far along was I back then?
"I have seen your resolve as the hero,
an old man I met in a village along the way
The first was



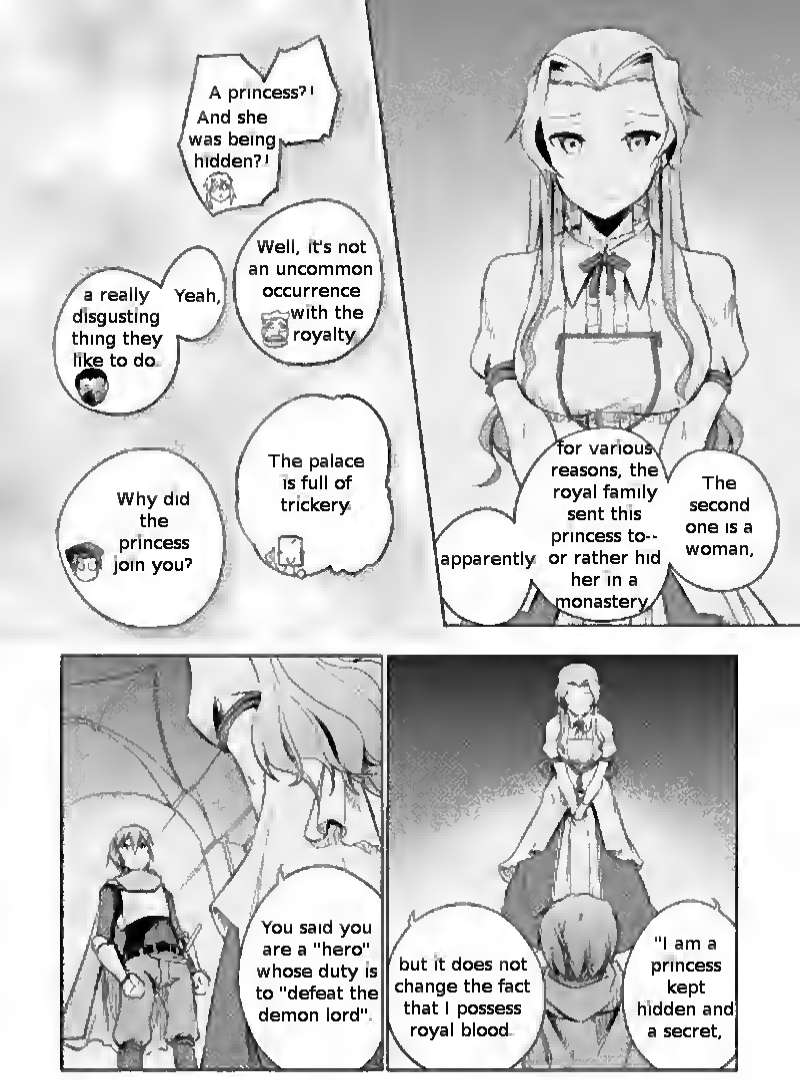
At the very least I can provide you with company.
but you are carrying a heavy burden alone
I can even watch your back
I won't take no for an answer "



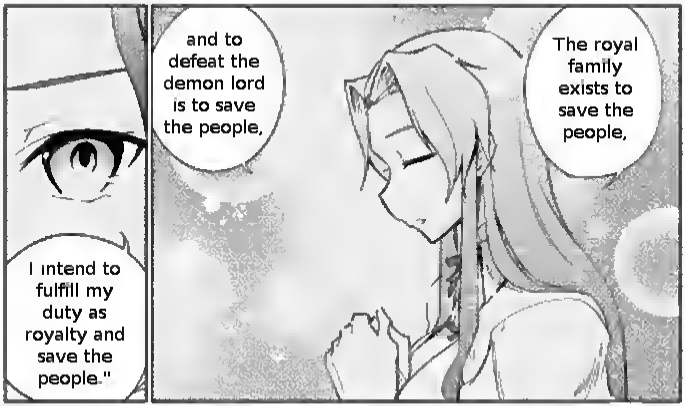
I just... Couldn't refuse his earnest look



46 Watches over heroes: Assassin
Well, if an experienced old man says that sort of stuff to a greenhorn traveling on his own
47 Watches over heroes: King
Well, if he was that adamant about it, you can't help it.
49 Watches over heroes: Knight Leader
His words certainly resound in your heart
49 Watches over heroes: Student
And so the first one is an old man!
Next one please



A princess?! And she was being hidden?!
Well, it's not an uncommon occurrence with the royalty
Yeah, a really disgusting thing they like to do
The palace is full of trickery
Why did the princess join you?
"I am a princess kept hidden and a secret,
but it does not change the fact that I possess royal blood
You said you are a "hero" whose duty is to "defeat the demon lord".
apparently
for various reasons, the royal family sent this princess to-- or rather hid her in a monastery
The second one is a woman,



and to defeat the demon lord is to save the people,
The royal family exists to save the people,
I intend to fulfill my duty as royalty and save the people."

57 Hero Hero
I Couldn't refuse those passionate words

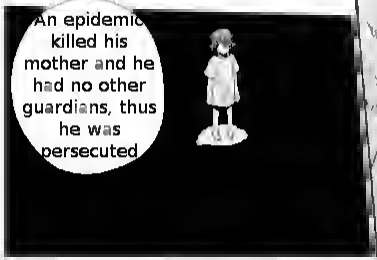
58 Watches over heroes Assassin
Yeah...

59 Watches over heroes Scholar
Well

60 Watches over heroes King
Indeed

61 Watches over heroes Student
Yep, you can't refuse that
And so, you were forced to accept her

62 Watches over heroes Knight Leader
Still, an old man and a princess
It is quite worrying...



64 Watches over heroes: King
That's... Well...

65 Watches over heroes: Knight Leader
Half-demon or not, to persecute a child is going too far!

66 Watches over heroes: Student
That's true, but people are just like that.

67 Watches over heroes: Scholar
Not only that, but humans and demons are enemies in Nua Norvail.

68 Watches over heroes: Assassin
To those villagers, the kid's a pretty good target.
Ugh.

Honestly, he was right,
but he said that humans simply won't accept him.
and as I wondered what I should do
I saved him from some stone throwing
and thought of taking him to another village,
"I'm half demon,
and you're a hero who is going to exterminate demons
You could've just ignored me, and yet you saved me,
I'd like to repay you for that."

I can understand not being able to abandon him, but still
Even so, to bring a child along to suppress demons...
70 Hero Hero
I... Couldn't refuse his determination
Well, I supposed being unable to abandon him is just like a hero
You're a hero, protect him while you fight lol
So isn't it better to stay with him and protect him?
If he left him with humans, he'd be persecuted again
That's all of them, the four of us are traveling together right now
no image
And so, who's the fourth?

77 Watches over heroes Knight Leader
A hero, an old man, a princess, and a child...
78 Watches over heroes Assassin
It's dangerous enough already and then you add this?
79 Watches over heroes King
What an unusual party lol
80 Watches over heroes Scholar
I wonder if you'll really be able to defeat the demon lord... I can't help but feel worried
un-warranted
That worrying is
Now this is interesting, keep going!
no image
What?
Huh?
We're traveling together normally, but...

Whenever a group of demons appeared,
after I defeated one,

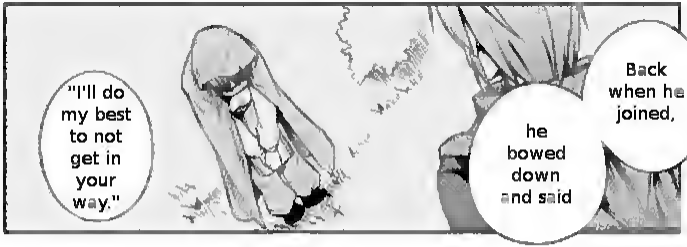
I'd turn to the rest,
and they'd all be defeated.

Please explain... In detail
Oh, I see now! I've finally understood the thread title!
no image
The hell? What's going on?
Huh?
What?
When the old man joined me he said to me,
"I may be old, but I won't be a burden to you,
I may not look it, but I was pretty good back in my day"
and he took out a sword
I couldn't even see his movements
And when he used it, a demon instantly died
no image
94 Watches over heroes' Students
And so, what's the old man's real identity?
He once wanted to work for the palace, but was refused
so he traveled and defeated many demons.

96 Watches over heroes' Scholar
Uh...
97 Watches over heroes' Knight Leader
Well...
98 Watches over heroes' King
I... Don't think I can.
99 Watches over heroes' Assassin
So he's stronger than you. lol
Can you believe it? He's the "lightning win swordsman"!
When the princess joined us...

"I have a means of protecting myself,
I won't slow you down, Hero."
She pulled out a staff with an engraved crest,
and when she kissed it, it turned into a mace.
As her slender arms swung the mace,
the demons would instantly die
no image
101 Watches over heroes: Student
And so, what was the reason for the princess being hidden away?
She's the only one capable of wielding an ancient transforming weapon passed down in the royal family.
and she disappeared after stealing her older brother's achievement during a demon invasion when she was 5.

103 Watches over heroes: King
I just can't imagine it...
104 Watches over heroes: Scholar
I can't either...
105 Watches over heroes: Knight Leader
That's...
There's just no way!
106 Watches over heroes: Assassin
And so, she's also stronger than you lol
107 Watches over heroes: Student
And finally, the half-demon kid!
Now this'll be good!
no image
The legendary "bloodstained bludgeoning princess"!



"I'll do my best to not get in your way."
he bowed down and said
Back when he joined,

He effortlessly casts magic that powerful demons can't use
In battle, he casts large-scale explosions without any chanting
"That fool is gonna get it now for irresponsibly going after Mom."
Would you believe it? He's the son of the demon lord!
109 Watches over heroes: Student mage
And so, what's the secret behind the kid's birth?

116 Watches over heroes' King
Well, uh
Knight Leader, you should say it

117 Watches over heroes Knight Leader
Uh
Scholar

118 Watches over heroes Scholar
Err. Stu-
Assassin!

119 Watches over heroes Student
Huh? Aww, come on, why'd you skip me?

no image

Just think of it this way, if you weren't around, they wouldn't have gone to defeat the demon lord

121 Watches over heroes Student
And there you have it, your true value is as a
